

# STREET SCHOOL

Dear Friends of Street School:

Thank you for making the 2022-2023 school year one of our best yet! In 2023, we celebrated our 50th year of service to the Tulsa community. What an accomplishment! We truly could not carry out our important mission without the support from you and so many individuals, businesses, and organizations across the state.

I feel so fortunate to have been serving our students and their families for over 18 years in different roles. I started as a therapeutic counselor, then as the Clinical Director, then as the COO, and finally in my current position as President & CEO since July.

It is an honor to be leading such an outstanding organization that is truly changing lives. Our outcomes demonstrate this year after year! As you will see from our annual report, last school year we served 223 students, which is the largest number of students we've ever served. Wow!

The graduating class of 2024 is on track to be the largest class in our history. For the first time since the start of the pandemic, we are fully staffed, and our classrooms are at capacity. It is an exciting time to be at Street School!

We are hopeful about the future and the impact Street School will have on our community over the next 50 years. We are grateful for the opportunity to partner with you in creating opportunities, building healthy minds, and preparing our students for the future. Thank YOU!
