

Street School's Legacy Society and Endowment

The Transforming Lives Legacy Society exists to support the mission of Street School. Our goal is to reach \$2 million dollars for our endowment to fund the important work of Street School.

Our endowment is held and managed by *Tulsa Community Foundation* and provides annual support for our mission. Should you want to speak with someone about the specifics of our endowment fund, please contact Sandra Thornton at 918-833-9813 or thorntsa2@tulsaschools.org.

If you have already made a commitment in your estate plan for Street School, please know that we are honored by the trust you have placed in us to carry your legacy and passion forward.

For those who desire to include Street School in your planned giving and become a member of *The Transforming Lives Legacy Society*, but have not yet done so, our legacy office can answer any questions you may have. They can guide you on how to take care of your family, your finances all while supporting the causes you and your family are passionate about. Click [Planned Giving](#) to learn more about the various types of giving that can make an impact for Street School. You may also complete the Confidential Statement of Bequest Intention form on our website by clicking [here](#).

Benefits of the Transforming Lives Legacy Society:

- Donors will be honored as a member of Street School's Legacy Society for their support
- Recognition in our annual report of donors that invest in the Power of Education
- Potential for reduced taxes*

Thank you to our current Legacy Society donors:
