

STREET SCHOOL

MEMO: STUDENT RETURN FEBRUARY 22, 2021
TO: STREET SCHOOL STUDENTS & FAMILIES
FROM: LORI MCGINNIS-MADLAND, EdD, PRESIDENT & CEO
DATE: FEBRUARY 10, 2021

We are excitedly preparing for the return of our students on February 22, 2021, pending the February 16 vote of the Tulsa School Board.

For the safety of all, the following measures are in place.

- ✓ ALL students and staff are REQUIRED to wear masks. The ONLY exception is when staff are alone in their classroom or office or when students are eating/drinking. ANYTIME another person is present, masks must be worn.
- ✓ Desk top safety screens are in use for every student in each classroom.
- ✓ All students will be provided with approximately 4 cloths masks if needed. Staff may use masks and face shields as well as protective gowns and rubber gloves.
- ✓ Disinfectant is provided for all classrooms and offices; hand sanitizing stations are located at every major entrance.
- ✓ The custodian will also use an electrostatic disinfectant sprayer in classrooms, offices, hallways, restrooms, and in the lunch rooms between lunch periods.
- ✓ Class breaks and lunch will move to three groups, with assigned times, to ensure social distancing (before the whole school shared break times and lunch).
- ✓ Staff are present to ensure distancing during the morning rush into the buildings.
- ✓ Staff are present in the hallways to ensure social distancing.
- ✓ The fitness rooms will be accessible and disinfecting wipes are available for students to clean equipment before and after use; this will be supervised by staff.
- ✓ Outdoor basketball is allowed; indoor volleyball and pool playing is allowed. (Please be aware that as of this writing the gym in 1.0 is temporarily closed due to a water leak)
- ✓ Violating COVID guidelines will be handled on a case-by-case basis. Please be aware that a “two-strike” violation process is in place and the student will be sent home for noncompliance.

Please know that with the safety protocols in place, Street School is a safe place for your student to return and for our staff to work. We are all anxious for in-person school to begin. This staff has worked very hard in these challenging times and have been creative in providing an education, activities, and some fun for our students. They need a round of applause!!
